It takes a community to build a library and it takes a library to build a community.

The East Bonner County Library District appreciates gifts of library materials and also welcomes cash donations.

Materials are accepted based on the needs within the current collection and the interests of library patrons. When you donate materials, the Library may add them to the collection, offer them for sale through book sales sponsored by “The Friends of the Library” or give them to another charitable organization. Cash donations may be designated for a specific purpose such as the purchase of books, an endowment fund or other program of your choosing.

Your contribution to the Library qualifies for a tax credit under Section 63-3029A of the *Idaho Code*. Your donation may also qualify for federal and state tax deductions for charitable contributions when itemizing on your tax forms. Please ask your accountant or tax preparer for more specific information about deductions.

If making a monetary contribution, I would like my gift directed to:
