

Facilities Policy

East Bonner County Free Library District

Policy Statement

It is the policy of the East Bonner County Free Library District to provide convenient library service to the residents of the Library District through a variety of facilities.

To implement this policy:

- A. The Library District will select sites for its facilities based on the following criteria.
 - demonstrated need
 - citizen demand
 - availability of physical quarters
 - potential for expansion
 - suitability for the service(s) being provided in an area
 - available funding
- B. The Library District will provide for the staffing, collections, supervision, promotion and operational costs of a facility.
- C. Each public facility will have regular hours of service which are based on the size and needs of the population being served.
- D. The Board of Trustees may consider and accept the gift of land and/or facilities offered by community residents or institutions for library use.
