

3D Printer Policy
East Bonner County Free Library District

The Library's 3D printer is available to the public to make three-dimensional objects in plastic using a design that is uploaded from a digital computer file.

- I. The Library's 3D printer may be used for lawful purposes only. The public will not be permitted to use the Library's 3D printer to create material that is:
 - a. Prohibited by local, state or federal law.
 - b. Unsafe, harmful, dangerous or poses an immediate threat to the well-being of others. (Such use may violate the terms of use of the manufacturer.)
 - c. Obscene or otherwise inappropriate for the Library environment.
 - d. In violation of another's intellectual property rights. For example, the printers will not be used to reproduce material that is subject to copyright, patent or trademark protection.

- II. The Library reserves the right to refuse any 3D print request.

- III. Patron will be responsible for covering the current costs for material used.

- IV. Items printed from the Library 3D printers must be picked up within 4 weeks or they become property of the Library.

- V. Only designated Library staff and volunteers will have hands-on access to the 3D printer.
