

East Bonner County Free Library District

Electronic Device Circulation Policy

Internet-connected electronic devices circulated by the East Bonner County Library District include WiFi hotspots and Roku Streaming Sticks. These devices are exempt from the Library's fine-free policy and may incur late fees.

WiFi hotspots (cellular modem) circulate for a limited period of time and are not intended to provide a subsidy for continual Internet access for any one household.

Internet service relies on cell tower technology and coverage. Service outside the continental United States is prohibited; any fees associated with use outside of this area will be the responsibility of the borrower. User experience can vary based on location. The Library is not responsible for personal information shared over the Internet or for information or websites accessed.

Roku Streaming Sticks circulate for a limited period of time and are not intended to provide a subsidy for continual streaming media access for any one household.

Any use of the devices named above for illegal purposes, unauthorized copying of copyright-protected material in any format, or transmission of threatening, harassing, defamatory or obscene materials is strictly prohibited. Any such use will result in revocation of electronic device borrowing privileges and potentially criminal prosecution. Deliberate altering of any files or modifying the configuration of Library-owned equipment is strictly prohibited.

By borrowing and initiating use of the Library's electronic devices, the user agrees to abide by the Library's policies and rules, and agrees to hold the Library and its agents harmless from any and all claims, losses, damages, obligations, or liabilities, directly or indirectly, relating to the use of the Library's electronic devices.

The Library reserves the right to refuse service to patrons who abuse equipment or who are repeatedly late in returning electronic devices.
