### **Policy Statement**

It is the policy of the East Bonner County Library District to protect the privacy rights of all patrons. Community members on Library property are not to be filmed, photographed, or recorded by other community members without their consent. Community members who wish to capture footage featuring other community members must consult with the Library Director or their designee in advance.

Library programs, events and classes may be filmed, photographed, or recorded by Library staff or volunteers for promotional purposes. Individuals who do not want to be included in Library promotional materials will be instructed to notify staff. Information regarding this policy will be made available via signage and/or public announcements.
